## BITS AND PIECES AROUND CORINTH

We were able to catch a few community members going the extra mile.

Scott Bragdon, George & Charlene Chesley, Leah Fleming, Chad Crooker & Matt Nadeau - Thank you!

There were a few community members not caught on camera that we feel deserve a mention.

Pamela Hicks does an amazing job taking care of the flower beds on the corner of Main St & Exeter Rd.

Carl Dow assisted Duane Blanchard with the installation of the new digital sign at the town office.

-Thank you

Hidden Fun -Where is Stephen Fields? Hidden in this Town Report is a picture of Mr. Fields. Can you find him?

## DEDICATION

## IN HONOR OF ALL OF OUR FIRST RESPONDERS

The past couple of years have been hectic and exhausting to say the least. Your commitment to your town has been unwavering and steadfast. You all have worked endless hours and yet still you each give your all, day after day, every shift. You have missed holidays and special occasions. You have sacrificed time with your family and friends. Your courage, strength and compassion are not only appreciated but admired. Our community is lucky to have each and every one of you. No words truly express the gratitude felt but

The Select Board, Town Manager Fields, the staff at the Town Office and your entire community thanks you.

Scott Bragdon was presented with the 2020 Fire Chief of the year award and Ronald Latourette was presented with 2020 Firefighter of the year by the Penobscot County Fire Chief's Association. Although both were recognized in last year's Town report, the actual awards were not presented until our town meeting in March 2021.

ON AGING

Dear Friends:

I am deeply honored to serve the people of Maine in the U.S. Senate, and I welcome this opportunity to share some of the areas I have been working on over the past year.

The ongoing COVID-19 pandemic continues to pose enormous challenges for our state and our country. When the pandemic began, I co-authored the Paycheck Protection Program that helped small businesses remain afloat and keep their employees paid. In Maine, our small businesses received more than 47,000 forgivable loans totaling \$3.2 billion. I also led efforts to provide relief for loggers, lobstermen, and bus companies.

In addition, I helped secure \$700 million to assist Maine's overwhelmed hospitals and nursing homes, and a new law I led prevented Medicare payment cuts to help further ease the financial strain on our hospitals. I also urged the CDC to update its recommendations so that our students and teachers could safely return to their classrooms, and I pressed the Administration to end the closure of the U.S.-Canada border.

While addressing the pandemic has been a major focus, I've also worked hard to ensure Maine's other needs are met. A group of 10 Senators, of which I was a part, negotiated the landmark bipartisan infrastructure bill that was signed into law in November. I co-authored the section of the bill that will provide Maine with as much as \$300 million to expand high-speed internet in rural and underserved areas.

Soaring inflation is another crisis, particularly when it comes to the cost of heating oil. I have strongly supported federal programs that help Maine families stay warm. In November, Maine was awarded \$35 million to help low-income Mainers pay their energy bills. And the bipartisan infrastructure bill included \$3.5 billion to help families make energy efficiency improvements that would permanently lower their heating costs.

As a senior member of the Appropriations Committee, I have supported investments in Maine's communities. This year's funding bills include \$265 million I championed for 106 projects across Maine. These projects would help create jobs, improve workforce training, address the opioid crisis, and increase access to childcare and health care services. In addition, I worked to reverse proposed cuts to our Navy in order to help protect America and keep the skilled workers at Bath Iron Works on the job. The bills also include \$475 million for the construction of a new dry dock at Maine's Portsmouth Naval Shipyard that will allow the Navy to continue to carry out its submarine missions. I will keep working to get these important bills enacted.

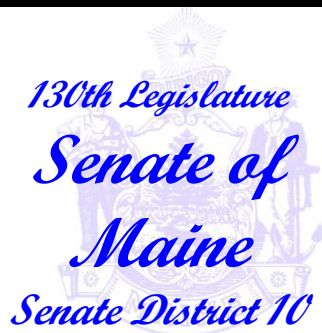

No one works harder than the people of Maine, and this year I honored that work ethic when I cast my 8,000<sup>th</sup> consecutive vote, becoming the only Senator in history to do so without ever having missed a roll call vote. The Lugar Center at Georgetown University once again ranked me as the most bipartisan Senator for the eighth year in a row.

In the New Year, I will keep working to solve problems and make life better for the people of Maine and America. May 2022 be a happy, healthy, and successful one for you, your family, and our state.

Sincerely,

Susan M. Collins  
United States Senator

Dear Friends and Neighbors:

Thank you for the opportunity to serve as your State Senator. I am humbled by the trust you have placed in me to be a voice for you, your family, and our community in Augusta. I can assure you I will continue to work tirelessly on your behalf.

The 1<sup>st</sup> session of the 130<sup>th</sup> Legislature was different than any previous session of the Maine Legislature. Zoom meetings replaced in person committee hearings and work sessions and it was certainly a learning process for everyone. As COVID-19 restrictions lifted, the Legislature met in person starting in June. It was high time we returned to the State House so that Legislators could speak in person to one another. The lack of human connection, so essential to accomplishing meaningful work for our constituents, made itself felt in the partisan nature of this session. The 130<sup>th</sup> Legislature has a great deal of work still to do in the 2<sup>nd</sup> Regular session; I believe that working together, we can affect positive change.

Before our adjournment on July 19<sup>th</sup>, the Legislature passed a supplemental budget as well as legislation directing how the American Rescue Plan funds will be spent. I strongly opposed increasing taxes and was pleased no new taxes will be placed on the Maine people as a result of those two initiatives.

The 2<sup>nd</sup> Regular session began in January and I am eager to discuss the issues important to all of you. I have heard from many of you regarding the increasing costs consumers are facing, as well as the countless ways the pandemic has affected every aspect of your life. As your State Senator, I will continue to do all I can to advocate for you in Augusta.

Again, thank you for electing me to serve you in the State Senate. The 130<sup>th</sup> Legislature certainly has a great deal of work to do; but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at 287-1505 or [Stacey.Guerin@legislature.maine.gov](mailto:Stacey.Guerin@legislature.maine.gov) if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Blessings,

January 2022

Dear Friends and Neighbors,

The first session of the 130<sup>th</sup> Legislature convened in the midst of the COVID-19 pandemic, which meant we met in the Augusta Civic Center every few weeks through May 19 to preserve social distancing for safety. This enabled us to begin voting on over two thousand bills that were before us. Committee meetings and hearings were and continue to be streamed on "Zoom". We did finally get back to our chamber in the State House and finished business on July 19. We met again briefly this fall to vote on redistricting.

This past session I served on the Joint Standing Committee for Labor and Housing where many bills concerning the COVID 19 impact on employers, employees, tenants and landlords were discussed and voted upon. Also during the session, education in the State of Maine for the first time, was funded at 55 percent and revenue sharing was increased for municipalities.

I encourage you to actively participate in your state government. Phone calls and letters are always welcome. With the wider use of technology, meetings and hearings are more accessible than ever. Using the homepage of the Maine Legislature: **Legislature.Maine.Gov**, you will find access to Zoom meetings and YouTube videos. I also send a weekly email with current state news. If you wish to receive these updates, please contact me at [Gary.Drinkwater@legislature.maine.gov](mailto:Gary.Drinkwater@legislature.maine.gov) and we will gladly add you to our list.

Again, thank you for giving me the honor of serving you at the State House and may you all have a safe and healthy 2022.

Sincerely,

Greetings to the Citizens of Corinth.

I would like to provide an update on the Boston Post Cane recipients. 2021 had two presentations of the Boston Post Cane, given to the oldest resident citizen of Corinth. Mrs. Helen True held the Boston Post Cane at the start of the year and passed on April 30, 2021, at the age of 99. I presented the cane to Ms. Harriet Duty on June 10, 2021, with friends surrounding her. She relinquished the cane upon her passing on October 15, 2021, at the age of 99.

Mrs. Rita Bean, 96, is the Town's current Boston Post Cane holder and was presented November 24, 2021, with family in attendance. Congratulations to Rita! May you honor the Town and history of the cane for many years ahead.

I wish to thank the citizens, staff, and municipal officers for their support during the completion of my first year of service to the Town. The past year had successful financial management of town operating expenses and revenues. Municipal Officers and I efficiently managed the town operations and discussed a vision for the future. Enhancement of security cameras was completed to monitor the Town Office and Recreation fields for safety of the patrons, especially the children. Road Commissioners effectively have managed the paving projects for the past few years and this year's road projects look great. The paving project came in under budget, therefore adding savings to the Town. A visually bright accomplishment for the town is the new digital sign located at the Town Office. Viewed by all, the sign will provide current and future notifications of events. The sign has proven to be a successful resource to the citizens with the reminder of taxes and dog licensing, as the staff saw increased visits and transactions.

2022 brings an opportunity in revaluation of property for the community. The revaluation project will be discussed and voted upon for approval during the March 2022 Town Meeting. Spearheading this massive project will be the Assessor Agent, Josh Berry. The revaluation is very much needed to provide sound financial assessment for town valuation and the citizens homestead exemption. Citizens will be entitled up to 100% homestead exemption on the tax bill once revaluation is completed. Currently, citizens are not earning 100% revaluation and have taken a reduction of the rate for the past two years, of which, the Town has received a reduced pro-rated state reimbursement. A revaluation project takes 18-24 months to complete and will need each property and business owner to assist the Assessor Agent with survey responses. Once again, the revaluation project is long overdue and required by the State to be compliant with state assessing laws.

Closing, I would like to express my sincere thank you to the first responders, municipal officers, staff, and citizens as we all continued our efforts in the pandemic fight against COVID-19. The past year brought us improvement and some normalcy to routine and events. Wish for 2022 to have continued success!

Stephen Fields, IPMA-SCP  
Town Manager, Town of Corinth

## CORINTH FIRE DEPARTMENT

TELEPHONE 285-3303

FAX 285-3354

It is my privilege to present you with the 70<sup>th</sup> Annual Report of the Corinth Fire Department. Last year your Fire Department responded to 1,273 incidents. The number of incidents responded to last year was an increase of 349, the majority of these calls were for medical assistance, as of right now the men and women of the Corinth Fire Department are responding to an average of 4 calls per day. The high rise in call volume is due to a magnitude of issues, one being the ongoing pandemic (more sick people), the other issue is our healthcare system is in crisis, less ambulances, less hospital staff, less home health workers and less nursing home and rehab beds; patients who need access to healthcare, access it thru us and as a system we are failing. We are taking steps to alleviate the workload facing our staff; applying for staffing grants, raising our payrates and training new personnel. These stop gap measures will however take time for us to see positive results. My message to you the taxpayers is "Do not call 911 unless it's an emergency", if you have a medical question or a routine medical issue call your Primary Care Provider, if you are sick but not critically sick or injured, go to a walk-in care facility. There is no truth to the statement "If I go to the Emergency Room by Ambulance, I will get a room and be examined quicker" it's a falsity, right now wait times in most Emergency Rooms are 8-10 hours.

I would like to recognize the Men and Women of this Department who have continued to answer the bell and respond to your emergencies with professionalism and pride, I feel truly blessed to work with these folks on a daily basis and their actions are something we should all be proud of.

In closing I would like to thank the Board of Selectpersons, The Town Manager and The Town Office Staff for their assistance this past year.

For the year ending December 31, 2021; 982 open burning permits were issued in the Town of Corinth. Permits are available on the Maine Forest Service website, as of Jan. 1, 2022 online permits are of no charge. Permits are available at the Fire Station Monday thru Friday 8am-5pm. If you are unable to come to the fire station and do not have access to the internet, call the station (285-3303) and a permit can be delivered to your site. Permits are available on class 1 and 2 days as determined by the Maine Forest Service, there is a sign near lobby door at the fire station that posts the daily fire weather from April to November. In 2021 there were 321 allowable burning days.

## Code Enforcement and Plumbing Inspection Report for 2021

| Building permits issued |           |
|-------------------------|-----------|
| New homes               | 6         |
| Mobile homes            | 13        |
| Accessory Bldg          | 32        |
| <b>Total</b>            | <b>61</b> |

| Plumbing permits issued |           |
|-------------------------|-----------|
| Internal plumbing       | 10        |
| Subsurface wastewater   | 10        |
| <b>Total</b>            | <b>20</b> |

Historically we have between 45 and 65 new permits pulled every year. New home construction is down a bit but hopefully prices will return to pre-pandemic numbers and make it a bit more affordable.

Taking over as CEO/LPI in March of 2021 has really given me a better understanding of the town and given me a great chance to get to know the residents. I look forward to working with you this upcoming year and hope to help facilitate the town's growth moving forward.

If you have any questions about what we do at in the Code Enforcement Office, don't hesitate to reach out. My office hours are from 8 to 4, the 1<sup>st</sup> and 3<sup>rd</sup> Friday of every month, and my contact info can be found on the Town's website.

Respectfully submitted,

Josh Berry

## Annual Corinth Planning Board Report 2021

Planning board approved the following items in 2021:

The PB approved changes to site plan review application for OneEnergy Development, LLC Hornbeam Solar Project contingent upon 1) the presentation approval of driveway entranceway from the Town of Corinth when applying for building permit, 2) presentation Town of Corinth is named as additional insured under decommissioning insurance plan, and 3)

Note: Access approval for driveway is for this project only.

The PB approved an amendment to the Tate Road subdivision located on the White Schoolhouse Road and the Marsh Road, to create a new lot 12-1A from lot 12-1.

The PB approved an amendment to the Tate Farm/ Ramsay Wood Subdivision splitting off a new lot 2a from the subdivision.

The PB approved the TM Self Storage site plan application contingent upon submission of the DEP Wetlands and Storm Water permits before building permit for the new buildings are issued. The tree planting, chain link fence, and security gate for storage area, cameras and lighting must be installed per original project approval prior to issuing the building permits for last three buildings, and prior to occupancy of the first two buildings of this phase.

The current members of the Corinth Planning Board are Chairman James Connolly, Vice-Chair James Berry, Secretary Cynthia Commeau, Bill Molloy, and Joshua Campbell.

Respectively Submitted,

Cynthia Commeau

## Recreation Committee

Greetings from the recreation committee. We hope everyone had a great 2021 and are staying safe and healthy. The last two years have been a challenge to be able to offer recreation sports for the Corinth Recreation Department, but we were able to offer all sports this past year with little interruption.

We were able to offer baseball, softball, soccer, field hockey, basketball and cheering in 2021 after only having soccer in 2020. It was great to see the kids back out on the fields and courts and learning and improving their skills in the sports they enjoy playing. Coaches worked hard at providing a safe environment for the kids to practice and play games and avoid contact as much as possible to prevent the spread of Covid-19. We want to thank all the coaches for their hard work and dedication to the kids in Corinth to provide them the opportunity to play sports and keep them safe while doing this. Coaches that helped with Corinth Recreation in 2021 were Ben and Tiffany Martin, Nichole Dow, Brooke Nickerson, Jon Lilley, Aaron Libby, Justin Ford, SueAnn Allen, Jenny Farrar and Derek & Kristen Goddard. These programs are successful due to dedicated volunteers who are willing to take the time to help the kids work on their skills and fundamentals over the course of the season.

We were also able to run the concession stand again for our spring sports although we did so on a limited basis. Audrey Younie covered this in 2021 for us. We have done very well selling concessions and all the revenue helps the recreation department to re-invest in our town park and team sports. We appreciate all your time and efforts working with the recreation department.

In 2021 we worked on securing more security cameras for the park area to help with vandalism and to provide a safer area for all that want to use the park. Also, another park bench was installed near the concession stand with the help of Carl Dow and Josh Campbell.

2021 was certainly much better than 2020 as we were able to get back to more traditional offerings and we hope that 2022 is even better than last year. Please keep your eyes out for permission slips as the seasons get closer and be sure to check out the Corinth Recreation Facebook page for any updates.

If you have any suggestions or concerns, please let us know. If you want to be on the mailing list for rec committee activities, please contact the town office. We utilize the Facebook page Corinth (Maine) Recreation to keep people update with current events. Thanks to all the coaches and volunteers for working with our kids this past year. Your involvement allows the kids to become better athletes in the sports they love and to have a good time with friends thru recreation.

Lastly, I want to thank everyone who has helped with the recreation department over the last ten years. I have resigned as recreation director and to all the coaches, recreation committee members and all the volunteers that have helped over this time it has been much appreciated. A special thanks to Josh Campbell as he was always willing to help with the fields and donate use of his time and equipment for any projects that needed to be done at the park.

## Summer Recreation Program

Summer of 2021 went by fast, but we couldn't have asked for a better year! We had another great group of kids come out last summer. After no field trips in 2020, the kids were definitely happy to get back to them this year. Some of the favorites were a train ride with the Belfast and Moosehead Lake Railroad and a day at Jenkins Beach. We had three new staff members this year including, Rylee Speed, Sydnee Cohen, and Ivan Tibbetts that helped to keep the kids active during the long summer days, as well as a great group of volunteers.

The summer recreation program runs for 6 weeks, typically from the end of June to the first week in August. We start at 8am and go until 3pm, Tuesday through Thursday. On Wednesdays we do field trips to beaches, movies, museums, or other fun destinations. Summer recreation is open to children going into second grade in the fall through children who have not turned twelve by the end of the summer. If you are interested in joining us this summer, please call the town office to be placed on the mailing list. I am working on planning our trips for this summer and I would love to hear any thoughts or new ideas from those in our community. I am looking forward to warmer days and having another great summer with a great bunch of kids!

Best wishes,

Emma Campbell

Summer Rec. Coordinator

## **2021 CEMETERY TRUSTEES REPORT**

New flag poles and flags were installed at Corinthian, Evergreen and Hilltop Cemeteries. Allan Lord repaired several stones and filled many potholes. He also cleaned up some brush on the west side of Corinthian cemetery. Again, thank you, to those who put out the flags for Veterans and Firemen. Our mowing contractors continue to do a great job.

Please take note of the Cemetery Rules & Regulations, below. We encourage you to keep your lots cleared of ornaments and treasures. Each year many items are stolen from lots, so we encourage you to not put anything of much value at the cemeteries.

The roads to the Corinthian Cemetery will be closed December 1<sup>st</sup>. Weather conditions may dictate closing earlier. They will remain closed until the roads are ready for traffic in the Spring. This is to preserve our cemetery roads.

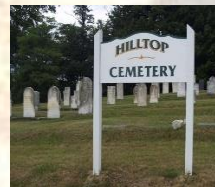

Cemetery Trustees: James Berry  
Charlene Chesley  
Laura Goulet

### **Abbreviated Cemetery Rules & Regulations**

- All burials must go through the Sexton.
- Each plot must have a permanent marker.
- Flowers can only be planted or placed directly in the front and the back of the main monument.
- All evergreen trees, shrubs, flowering shrubs, rose or other thorn bushes are prohibited.
- Ornaments & etc. which are not permanently attached to the monument are not allowed.
- Crushed rock, colored gravel, white stones, shells, or fences are prohibited.

The Town reserves the right to trim or remove any items which are contrary to the ordinance, or which have become unsightly and no longer contribute to the beauty and dignity of the cemetery. The Town is not responsible for any items removed.

General maintenance is provided by the Town. All lots not cleaned up by October 31, could be subject to town cleanup.

## Corinth Historical Society 2021 Report

2021 was another challenging year for everyone. The Museum remained closed to the public, but private tours were arranged through our Facebook page which remains very active. Pauline Sodermark administrates the page, posting articles, photos and nostalgic items and members monitor it to answer questions and provide information.

Sharon Buswell is working on a Veterans Honors Project. She is looking for Veterans, relatives of veterans, and friends of veterans who can help tell the stories of men and women with connections to Corinth. You may contact us by email @ [CorinthVeteransHonors@gmail.com](mailto:CorinthVeteransHonors@gmail.com). Also, we are looking for volunteers to help clean Veteran's tombstones in the spring.

Jean Slasor is engaged in scanning early town vouchers beginning with the year 1812. The vouchers are scanned, copied, printed and stored in archive quality containers. Then the information is then transcribed, printed, and placed in a file in the research area of the Museum for the use of members and researchers. This is an ongoing project with 364 documents processed so far. It gives insight into town affairs and daily life of the period.

I learned of a group that scans school yearbooks and I contracted with them to do Corinth/Central High School yearbooks. This is a project through Oklahoma Corrections Industries. The OCI provides rehabilitation and training to low-risk offenders. It is a completely free service that includes shipping. I inventoried, packed and shipped the yearbooks to OCI this summer. They were returned to us within a few weeks along with DVDs of the books. This information may now be accessed through the Society's Facebook page.

This is part of our ongoing work from last year. We hope the pandemic eases and we will feel comfortable staffing the museum this summer. As with most historical organizations our active members are older. We would love to have more and younger volunteers to aid us with tours, staffing, projects, and research. If you are interested in helping, you can contact us through our Facebook page or through the town office.

Respectfully submitted,  
Betty LaForge

## Corinth Veteran Honors Project

Throughout the many military engagements required of our country there have been many thousands of service men and women who answered the call to duty. These citizens took the oath to “serve and protect” and gave many sacrifices to serve their country.

The history of this community contains Veterans from every conflict. The Corinth Historical Society wishes to honor all veterans with remembering their conflicts and sacrifices.

...acknowledge, remember, and appreciate the veterans who live among us

If you are a veteran, active military, family member of a veteran, we are asking for you help to complete Corinth Historical Society Veteran Honors Project. We are gathering service photos, service dates, units, theaters where they served, any memories of their time in service. To round out these profiles of each service man or woman we also would like to know their birth date, marriages, children, post service employment.

Please contact Corinth Historical Society at [CorinthVeteranHonors@gmail.com](mailto:CorinthVeteranHonors@gmail.com) with any questions, requests, or submissions. Thank you for assisting in this honorable project.

## ANIMAL CONTROL REPORT

It was another busy year for Animal Control. Even with COVID showing its ugly head for the entire year and more people staying home, animal calls were about the same as previous years.

I made 18 trips to Foxcroft Veterinary Services to drop off stray dogs and 17 trips to deliver cats and kittens. Many of the trips included multiple animals.

There were 3 calls for cows in the road and 1 call for a dozen pigs destroying a neighbor's property. I had 4 calls for chickens trespassing on neighbor's property.

There were 5 dog bites that required medical attention. Dog at large calls numbered 18 where the dogs were reunited with their owners. I did 3 wellness checks and 1 dog left in a car during hot weather.

On 3 occasions a number of cats and dogs were taken due to the owners being institutionalized.

If owners would remember that if it is too cold or hot for you then it is too cold or hot for your pet! It is the law that a dog must have a shelter and water when tied out and a horse is required to have a three sided lean-to with a roof and water at all times.

Please treat your pets as you would like to be treated yourself.

Animal Control Officer

## RSU 64

In spite of the global COVID-19 pandemic, RSU 64 continues to thrive as we pursue our mission of “Inspiring All Students to Excellence”. The district has been able to remain open to in person learning for the 2021-2022 school year thus far and have managed the ever-changing expectations from public health officials for schools to do our part to keep the COVID-19 virus transmission at bay. Many staff and students have had confirmed positive cases of COVID-19 however, I am incredibly grateful to share all have recovered and it seems there is no lasting effects of severe disease. Although as individuals our health is good, the district recognizes the losses many families have endured with the pandemic. As a collective community we have suffered much loss. There has been loss of life, and loss of life activities as we knew them. Our schools have returned in large part to many of the routines and procedures in place pre pandemic. Hope for a return to normal continues to support our forward motion. Although it is important to reflect on where we have been, the district is poised to move toward a healthy future for both staff and students.

At the writing of this report, we are mid-way through the 2021-2022 school year. We currently have an enrollment of 1037. Central High School continues to grow with an enrollment of 306, Central Middle School currently has 241 students and Central Community Elementary School has 490 students currently enrolled. The district is the largest employer within the Town of Corinth with approximately 200 staff. We are also growing over 1000 new employees for the future workforce as we support student learning and development PreK-12! Currently, there are 75 juniors and seniors from Central High School enrolled at United Technology Center in career and technical education. This is one of the largest populations at UTC when compared to overall high school enrollment in the region.

All three of our schools have engaged in additional outdoor activities that support content learning, exercise, and premium air quality this year. The pandemic has created prime opportunities for our students to learn outside as much as possible in our beautiful outdoor spaces. As we move toward an endemic stage of the pandemic, our goal is to continue to embrace all the outdoors has to offer our students and their learning.

The pandemic also created significant opportunity for the use and acquisition of technology for our students. Teachers and staff continue to grow in their own skills and knowledge with full recognition that technology does not replace excellent teaching, rather it supports and empowers it, when integrated in a healthy and balanced way. We recognize the significant social and emotional challenges our students continue to face in the isolation the pandemic has caused and the impact social media has on their development of self and belonging. Staff are committed to focusing on supporting individual students as they cope with anxiety and depression often times related to social media usage, substance abuse, family unit disruption, and economic hardship. The district is fortunate to have the assistance of mental health providers in the region and a full-time social worker now on staff.

As we move toward spring, and it's inevitable that we do, I want to take this opportunity to thank you for the support you have shown your schools, teachers, bus drivers, custodians, food service, secretaries, support staff, administrators and above all, your kids. The kids in RSU 64 are incredibly fortunate to have a school community that has supported their very most basic needs during these past two years. Your support during the constant changes that have come our way have contributed to our kids receiving the best care possibly during these trying times. I believe our students will look back on this time in their lives and remember the love, protection, and help they each received while recognizing how difficult it must have been for each of the adults in their lives as well.

Be well,  
Superintendent Sperrey
