R. STANLEY BEAN, son of Ralph & Rita Bean, was born on January 24, 1950. He grew up in the town of Exeter and attended East Corinth Academy. He moved to Corinth when he married his wife, Linda. They have 4 children, Christopher Bean, Melissa Jones, Chad Bean and Cory Bean and several grandchildren. Stanley is devoted to his family and loves having them around.

Stan became interested in serving this community whole heartedly. In 1979, Stan joined the Corinth Volunteer Ambulance Service and served for 21 years. He was appointed to the Board of Directors for the Central Penobscot Solid Waste Facility and served for more than 20 years. He also was appointed to serve on the Planning Board, 2005-2008. Stan was elected to the Board of Selectpersons and served for 14 years. He had to step down due to health issues. Stan enjoyed giving back to the Town!

February 2024

Greetings to all,

I want to personally thank the citizens for their perseverance during 2023. The Town finalized the revaluation of property tax, implemented moratorium ordinance, and supported citizens with the fall 2023 storms bringing severe inclement weather and power loss to our Town.

Staff changes occurred during the past year. Mark Roy was appointed Fire Chief, after the retirement of Scott Bragdon. The Deputy Clerk position staff changed employees and currently is Jillaine Wentworth. Each brings a new perspective to their position. Welcome.

The legislative body passed the Commercial Solar Facility Moratorium Ordinance to allow the appointed working group to draft regulation policy and ordinance for the citizens. The group worked diligently to meet this objective and will bring forth a new ordinance on commercial solar facility development in town to vote in near future.

A request for the High-Impact Electric Transmission Line Moratorium Ordinance was brought forth by citizens. As a result of the December storms, the special town meeting was postponed until January 2024. The legislative body passed this moratorium, and an appointed working group is developing regulatory guidance and ordinance for a future vote at a special town meeting, to be announced.

I personally would like to thank former Fire Chief Scott Bragdon for his dedication and devotion to the Town of Corinth Fire Department and citizens for 26 years as Chief. During his tenure, he faced many opportunities from technology advancement, equipment needs, natural weather disasters, pandemic, and continual increase of response calls. He provided sound leadership to the department and support to the Town citizens and local events. Thank you, "Chief" Scott Bragdon, for your 26 years of service as Chief and commitment to remain on the Fire Department in a new capacity.

In closing, I would encourage every individual of all ages of Corinth to take an active part in volunteering or serving the community in the upcoming year. Participating through elected office, serving on a committee, attendance at Town Meeting, and volunteering to serve the citizens may be a personal reward.

Thank you all for your continued community service and may you have a great year.

Respectfully submitted,

Stephen Fields
Town Manager

CORINTH FIRE DEPARTMENT

It is my privilege, as the new Fire Chief for the town of Corinth, to present the 72nd Annual Report of the Corinth Fire Department.

Last year your Fire Department responded to 1043 incidents, this is a decrease in incidents mostly due to the lack of ambulance providers available from Northern Lights service out of Dover-Foxcroft. It is also due to a lot less covid sick cases compared to the past couple years. I would also like to remind those folks using a wood stove as their main source of heat, to please, do both themselves and the fire department a huge favor and to clean their chimney as often as necessary to keep them from having a chimney fire or worse.

Calls by Type 2023

Building Fires - 23	Lines Down - 16
MVAs – 12	False Alarms – 5
Chimney Fires – 4	Hazard – 7
Grass Fires – 2	Mis Calls – 9

2020 -924	2021-1273	2022 -1438	2023 -1043		

In closing, I would like to thank retired Fire Chief, Scott Bragdon, for his many years of service with the Corinth Fire Department. I wish him the best in his future endeavors. I would like to thank the number of department members for their hours of helping me get adjusted to the new Chief position. Also, thanks to the town manager and his staff, the Board of Selectpersons, and the citizens of Corinth.

Respectfully Submitted,

Mark Roy

**Maine Forest Service
Town Fire Warden
Town of Corinth**

It has been my privilege to serve as your Local Town Fire Warden since 1998, as the year 2023 closes, so does my tenure as Town Fire Warden. For the year 2023, 866 Open Burn Permits were issued in the Town of Corinth.

There were 302 allowable burn days in 2023, as always, it is recommended that large burns be done when there is snow on the ground. Burn permits can be obtained at the Fire Station Monday thru Friday from 8 a.m. to 5 p.m., burn permits for the weekend should be obtained on the Friday before at the Fire Station. If you cannot make it into the fire station, arrangements can be made by the on-duty crew to bring one to your site. Burn permits can also be obtained online at [Maineforestservice.gov](https://maineforestservice.gov) for Class I and II days.

There were several out-of-control wildland fires in the Town of Corinth during 2023, the largest of which destroyed a hay blower and 20 acres on the Ridge Road. Information regarding the Town Fire Warden can be obtained at the town Office or the Fire Station during regular business hours. Allowable burn days are posted at the Fire Station and on the State website.

Respectfully Submitted,

It's good being back as the CEO/LPI for Corinth. 2023 brought an average number of building permits issued. I'm sure the increase in SSWW permits can be attributed to the oppressive amount of rain we've had and its effect on septic systems. Looking to 2024, I hope to see continued steady growth and reinvestment back into the community. I'm sure it will be a good year and look forward to working with you.

Respectfully,

Adam Caldwell

Annual Corinth Planning Board Report 2023

Planning board approved the following items in 2023:

On May 3rd, the PB approved the application submitted by William Robinson and Adam Violette for a 60' x 80' convenience store building to replace the existing building at 624 Main Street.

On August 9th, the PB approved the subdivision amendment submitted by Dale Eastman to correct the measurements and lengths of property, and provide a right of way for Elaine Eastman's house.

On August 9th the PB was given an update from the Solar Ordinance Committee. Concerns were raised about the decommissioning of Solar farms after 20 -25 years, and how hazardous waste will be handled? PB suggested that waste not be stored locally. Also, an additional fee should be levied when Solar Farms are first approved by TOC.

PB was asked to look over new State Law LD1706, an act to clarify Statewide laws regarding Affordable Housing and Accessory Dwelling Units, and compare the law with existing TOC ordinances looking for conflicts. PB suggested that the Town attorney be asked to point out necessary revisions in TOC ordinances.

On November 8th the PB discussed ordinance updates with the Select Board

The current members of the Corinth Planning Board are Chairman James Connolly, Secretary Cynthia Commeau, Bill Molloy, John Allen, and Joshua Campbell.

Respectively Submitted,

Cynthia Commeau

RECREATION

Corinth Residents,

It's been an honor to serve our youth another year. I am humbled by the amount of kids who want to play for us, but also by the amount of volunteers and parents we have had step up this year. Whenever I put a call out, someone always steps up to make it work for our kids, and for that I am both humbled and proud of our community.

Our numbers this year for spring, fall and winter sports were healthy, to the point that for a few age groups we needed two teams. It's great to see the love for sports grow, I hope the kids take their passions with them through middle and high school.

Our summer rec program was quite large this year again. We had a new round of counselors who stepped up, they made for the best summer for the kids.

Again, this was a great year for Corinth rec. I appreciate all the kids, parents, coaches, refs, and summer counselors for their time, and grace through my second year. I look forward to what 2024 has to offer us!

Benjamin Martin
Corinth Red. Director

Summer Recreation

Summer of 2023 went by fast! We had another large group of kids come out again last year. We also welcomed some new team members including myself as well as our Assistant Summer Recreation Coordinator, Rylee Speed and Junior counselors Kenzie Rushlow and Connor Bean. They all fit into the team nicely and really helped to keep the kids active during the long summer days. We also had a large group of volunteers from the high school that I would like to thank for their involvement throughout the summer, they were a huge help. A couple of our favorite field trips this summer were the Beth Pancoe Municipal Aquatic Center. Kids loved going down the waterslide and playing in the pool. Another great trip was Urban Air Adventure Park. We spent a whole day jumping and exploring all the facility had to offer. It was a great day and an even better summer!

The summer recreation program runs for 6 weeks, from the end of June to the first week in August. We start at 8am and go until 3pm Tuesday through Thursday. On Wednesdays we do field trips to beaches, movies, museums or other fun destinations. Summer recreation is open to children going into second grade in the fall through children who have not turned twelve by the end of the summer. If you are interested in joining us this summer, please call the town office to be placed on the mailing list or keep an eye on the Corinth Recreation page on Facebook. I am working on planning our trips for this summer and I would love to hear any thoughts and new ideas from those in our community. I am looking forward to warmer days and having another great summer with a great bunch of kids!

Best Wishes,
Grace Campbell
Summer Recreation Coordinator

2023 CEMETERY TRUSTEES REPORT

With a summer of rainy weather, it was difficult to keep up with the pot holes. Allan did fill some of them. Another road was paved this year which will help keep it from washing out. A new sign was installed at the Simpson cemetery. Allan Lord repaired several stones. Again, thank you, to those who put out the flags for Veterans and Firemen. Our mowing contractors continue to do a great job and we just renewed their contract.

Please take note of the Cemetery Rules & Regulations, below. **Please keep your lots cleared of ornaments and treasures.** Each year many items are stolen from lots, so we encourage you to not put anything of much value at the cemeteries.

The roads to the Corinthian Cemetery will be closed December 1st. Weather conditions may dictate closing earlier. They will remain closed until the roads are ready for traffic in the Spring. This is to preserve our cemetery roads.

Cemetery Trustees: Charlene Chesley, Jeff Dow, Laura Goulet

Non-Resident - \$1,000.00 per person

Corinth Historical Society Report For 2023

We began the 2023 season with repair of two of the Dow Village buildings that had been vandalized in 2022. There are four more that need repair. All of the Dow Village buildings could use a fresh coat of paint. Volunteers are welcome on this project. Also, in May before we opened, the backroom walls of the museum were sheet rocked over, mudded, and primed by a contractor. We painted the walls, as well as the floor, creating a neat, clean, and updated space. The room is now better arranged, and we plan to add a work bench and shelves in 2024. The Club Scouts visited with their parents. Several Cub Scout Parents put the old Corinth business signs up on the walls that we had in storage. It looks amazing and we are looking forward to using this space in a more effective way.

We are lucky to have a new contributor to our quarterly newsletter. Dick Shaw, Bangor Historian, also has ties to Corinth and has written a couple of very interesting articles. He will continue to contribute future articles. If you have a story or stories you would like to see in print contact us through our Facebook page, Corinth Maine Historical Society, or by calling the Corinth Town Office.

We held a small yard sale fundraiser. The day turned to rain. Our proceeds were small, but it all counts.

We received a donation of several items from the estate of Bill Pomeroy related to his businesses. Several donations from others were received as well. We have brought our inventory nearly up to date at this point. Our historic town receipt scanning project is continuing well.

We are excited to announce that we received a grant from the county to replace the porch. This project is to be completed in the spring before the museum opens for the season and there is no cost to the town. It will include new framing, composite decking, new porch posts and railings on either side of the steps.

We are always welcoming new members and volunteers. If you have any interest and or some free time, please let us know.

Animal Control Report

In 2023 Noel Sirabella passed unexpectedly early in the year. His son, Dustin took his place as Animal Control Officer for the Town of Corinth with Sandy Sirabella as his deputy.

The spayed/ Neutered dogs licensed in 2023 were 236. The dogs unfixed and licensed in 2023 were 77 dogs. We had 3 kennels licensed. The total number of dogs licensed was 313 dogs.

Just a reminder- Get your dogs licensed! After January 31, 2024, there is a late fee of \$25.00 per dog. Tickets can be issued for unvaccinated and unlicensed dogs, which could amount to \$300 per dog.

Greetings from RSU 64!

At the time of this writing, we are well on our way through the 2023-2024 school year. The school year is going exceedingly well as students and staff engage in daily learning opportunities in the classrooms and outdoor spaces the district provides. RSU 64 continues to thrive as we pursue our mission of "Inspiring All Students to Excellence". Not unique in the field of education, RSU 64 has experienced staffing challenges this year as two teaching positions and several educational technician positions have gone unfilled. We have also experienced significant challenges in staffing custodial and food service positions. Current administration and staff have pulled together to meet these staffing challenges head on. For some, it has meant taking on extra duties and for others, it has meant being flexible in their own schedules and commitments. The success in how we have continued to operate is due to the current staff we have. RSU 64 staff and faculty are the very heartbeat of our school district. As a school community, we are poised to move forward in anticipation of a fully staffed district again in the days to come.

RSU 64 currently has an enrollment of 1021, a decrease of 37 students from 1058 this time last year. Central High School has an enrollment of 304, Central Middle School currently has 223 students and Central Community Elementary School has 494 students currently enrolled. The district is the largest employer within the Town of Corinth with approximately 200 staff. We are also growing over 1000 new employees for the future workforce as we support student learning and development PreK-12! Currently, there are 72 juniors and seniors from Central High School enrolled at United Technology Center in career and technical education. This is one of the largest populations at UTC when compared to overall high school enrollment in the region.

Last year, I wrote to you about our students' continued growth in their skills and knowledge in the area of technology. This continues to be true today. RSU 64 recognizes that technology does not replace excellent teaching, rather it supports and empowers it, when integrated in a healthy and balanced way. We recognize the significant social and emotional challenges our students continue to face in the isolation the pandemic caused and the impact social media has on their development of self and belonging. Staff are committed to focusing on supporting individual students as they cope with anxiety and depression, oftentimes related to social media usage, substance abuse, family unit disruption, and economic hardship. A significant challenge we are seeing our students grapple with is the loss of a parent through divorce, separation, and even death. The district is fortunate to have the assistance of mental health providers in the region and a full time social worker now on staff. RSU 64 continues to pursue excellence in our ability to respond to our students' needs with kindness, nurture, and respect.

I want to take this opportunity to thank you for the support you have shown your schools, teachers, bus drivers, custodians, food service, secretaries, support staff, administrators and above all, your kids. The kids in RSU 64 are incredibly fortunate to have a school community that supports their very most basic needs, including education. Your support of your youngest community members does not go unnoticed. You are securing the future success of your communities by investing in the lives of your children.

Be well,
Superintendent Sperrey
