February 2021

To the Town of Corinth residents,

Greetings. I am your new Town Manager and started on December 29, 2020. This is an exceptional opportunity for me to become part of the leadership team with the Board of Selectpersons.

The past year of 2020 has been interesting with many shifts in lifestyle, education, work and daily life routines. Although, I was not part of this strong-willed community for the year, I do relate having lived in Maine and with similar struggles. The citizens and businesses have continued to find ways to overcome these challenges and opportunities.

You may have read an article in the Eastern Gazette on my hiring as Town Manager. I have over 20 years of experience in public sector working at the federal, state and municipal levels. My recent position was the Assistant City Administrator/Director of Human Resources for the City of Westbrook, Maine. I am a retired veteran of the Maine Air National Guard having served 28 years. Through my profession I have acquired skills, knowledge and mentorship in operational management and community affairs.

During the upcoming year 2021, the Town will continue to find ways to overcome the obstacles ahead of us with the COVID-19 pandemic. I will work diligently with the Board of Selectpersons, other elected and appointed officials to manage daily municipal operations effectively and efficiently.

Once again, I look forward to working with the Board of Selectpersons, staff, business owners and citizens of Corinth. I am excited to start this great adventure with the community.

Stephen N. Fields, IPMA-SCP
Town Manager

ANIMAL CONTROL REPORT

This year was eventful for Corinth in terms of Animal control. All together we had over 125 calls involving many animals. With Covid-19, visits were limited, but we still had many animals in need of help.

I had 5 kitten pickups, and 13 cat calls, for a total of 18 feline calls. There were 35 calls about dogs between strays, and just seeing dogs running in fields, and barking as well as 2 dog bite investigations, and a case that was in connection to a home breeder who was selling puppies with PARVO. Please only buy dogs from reputable breeders and licensed humane societies. We do not have a leash law in town, but you do still have to maintain control of your dogs per your voice commands or you could receive a ticket for a dog at large for up to \$175 including court costs for just your first offence. Calls about horses were down this year with a total of 3 while calls about cows also decreased down to 1. We also had numerous calls about problems with domestic turkeys causing hazardous road conditions by being in traffic. The delivery of materials including tickets, traps, and reports was a total of 18, and there were 25 random calls including midnight calls to hospitals for the dog bites and people looking for their dog, including someone from Colorado who believed a dog we had found was theirs that had been running for almost a year.

Just a friendly reminder that the Bangor Humane Society will not accept dogs or cats from Corinth as we are not contracted with them. We had a number of good Samaritans pick up dogs on their way to work that they saw running near the road and take them into Bangor, only to find out the Humane Society does not take them. We had to drive into Brewer PD and Broadway Vet, due to people picking up "strays" and taking them to work with them. In order for any shelter to take animals from our town, not only do we have to have a contract with them but it also has to be brought in by or accepted by the animal control officer. My contact number is (207) 478-9931. Contact me with questions anytime. If I don't answer leave a message with your name, question or complaint, and where you are located including the town. Thank you all for helping keep our animals safe.

I have stepped down to being the backup ACO and Noel has taken back over and can be reached at 207-478-4220,

Dustin Sirabella
Deputy ACO

2020 CEMETERY TRUSTEES REPORT

We started the year with a major cleanup of trees and branches. This work had to be completed in order to open the Corinthian Cemetery in the spring. We want to thank Richard Broad for volunteering his time to fill some of the potholes and washouts. We appreciate and thank, Beanie Barry, for lending her tractor to the Trustees for the summer. Thank you to George Chesley for the many hours he spent working on the roads. Lettering for EXIT and ENTRANCES was put on the posts coming off Exeter Road. We also had some paving done at Corinthian. We installed new cemetery signs at Evergreen, Hilltop and Boutelle. Thank you, to those who put out the flags for Veterans and Firemen, as they add so much to the beauty of our cemetery! Our mowing contractors continue to do a great job.

Please take note of the Cemetery Rules & Regulations, below. We encourage you to keep your lots cleared of ornaments and treasures.

The roads to the Corinthian Cemetery will be closed December 1st . Weather conditions may dictate closing earlier. They will remain closed until the roads are ready for traffic in the Spring. This is to preserve our cemetery roads.

**Cemetery Trustees: James Berry
Charlene Chesley
Laura Goulet**

Most important things first...What days are we closed in 2021... Sat. May 29th, Sat Jul 3rd, Sat Sep 4th, Wed Nov 24th, Sat Dec 25th, and Sat Jan 1, 2022.

Hopefully, in the next year you will see a new reuse barn going up. We applied for and received a grant to build it and then this virus hit (you may have heard about it) and we lost the help of the folks from Charleston Correctional. We have revised the grant and hope to get the thing up and running this year.

Recycling has been a challenge during the pandemic this year (yeah, you've heard) as Covid protocol recommends that we be just a "drop off" facility. We have tried a no touch approach where the customer throws the separated items into the individual bins. Proper separation sounds easy, but most people goof it up. We ask that you try your best to maintain the high quality of the recycling. Proper separation is key but if you have any questions we don't mind if you hunt us down and ask. Unless you're like me, once you have the answer you will have the information forever. One way you can make an impact with recycling is to go online to <https://nrcm.salsalabs.org/recyclingreform/index.html> and sign the petition. It doesn't matter if you're a "burned out hippie" or a "I wanna die in my treestand sportsman", I think we all agree that packaging that you need a chainsaw to get into and then is not recyclable needs to go. This bill will motivate the manufacturers to make packaging that is easily recycled and will save you money by not having to pay to dispose of "their" poorly designed packaging but rather get paid to recycle it. Read the bill. If you agree, sign it. If you don't, be that way.

As always, the Directors are doing what they can to keep costs down but the operational costs continue to go up while any income from materials keeps going down. We aren't the Federal government, whatever it costs to run the place is what has to be charged.

The big news (for us anyway) is that a couple of the folks that work here (Supervisor and Assistant) are getting closer to their expiration date. We have decided to spend more time doing less. The Treasurer jumped on the bandwagon to have a few hours a week to herself. Retirement? No, not really, but we are cutting back on stuff we have to do and doing more of what we want to do. Personally, I kinda like doing this job, but for me 22 years is a nice round number to end on. In spite of any Dunning-Kruger syndrome, I think that this place will be fine without me. There may be growing pains but there was 22 years ago too. As many of you know, my other job is as a cemeterian, which, (as Professor Marvel put it in the Wizard of Oz) "in the vernacular of the peasantry", means I am a gravedigger. In that capacity I often think that the cemetery is full of people that the world couldn't continue without. It does go on, it's not always easy, but it does. Emerson said "The years teach much which the days never know". That may be true. (That last two sentences almost make a haiku!) But the years have also forgotten a lot and the days may have some fresh ideas for this place, so here's hoping'. For most of you it's been a "pleasure" to take care of your solid waste, for others...not so much. I bet most of you know which category you fall into. I hope that you are as nice to the next group that runs this place as you have been to us.

Respectfully,
Allan Lord

Corinth Historical Society

The year 2020 started with great plans for commemorating Maine's bicentennial. New exhibits were underway. Then the pandemic lock down happened. As with most groups and organizations everything was canceled for the year, including our biggest fund raiser the town wide yard sale. The museum remained closed for the entire season because our actively involved members are in the high-risk group for covid-19. We continued to provide our newsletter and answered inquiries throughout the year.

The year 2021 will bring change to the historical Society. I will be stepping down as president as I have sold my home in Corinth and I am moving to Bucksport to a senior community. It has been an honor to serve the community for these many years. It is my hope that there will be younger community members who will step up and carry on the mission to preserve Corinth's History.

It is once again my privilege to present you with the 69th Annual Report of the Corinth Fire Department. Last year your Fire Department responded to 924 incidents. Of note there were 20 Extra Alarm incidents in the Town of Corinth in 2020, the most serious of which was a second alarm building fire which destroyed a home on the Grant Road in August and a third alarm fire that destroyed a garage at Adams Strawberry Farm in October. At the October Fire crews faced high winds and a large complex of buildings that were close by and all exposed buildings were saved by crews on scene. Obviously this year our biggest challenge was the Covid-19 Pandemic, at times this year we had several employees out of work for exposures and 2 employees who tested positive for the virus. The good news is all of our EMS providers have had at least the first dose of the Covid Vaccine and the rest of our staff will be vaccinated the first week of February.

Recreation Committee

Greetings from the recreation committee. We hope everyone is staying safe and healthy in 2021 and are looking forward to getting back to playing rec sports again this year. 2020 was tough year for activities for the Corinth Recreation Department. Most of the team sports that we hold annually were not able to be held last year due to the COVID 19 pandemic. We hope this was a one year hiatus and everyone can get back out on the fields and courts this year.

Our spring season was cancelled due to everyone trying to be safe and not knowing all that could happen with the virus. All towns that we typically compete against were not able to play baseball or softball as we normally have. We were able to hold a few weeks of practices starting in late June for any child interested in working on their skills. We had several parents volunteer to run the practices and work with the kids while following the state's health and safety protocols.

For the fall season we were able to have teams for 2/3 & 4/5 grades for soccer as well as an instructional soccer and field hockey practices. Again we had several parents step up to volunteer to work with those interested in playing and follow all guidelines for safely holding an outdoor activity. Not all towns participated as have in the past but our teams were able to compete against a few and enjoyed being able to play games.

Our winter rec basketball was cancelled as well due to limits on indoor gatherings. We are hoping to hold some practices in March for district area kids if we can safely meet all the health and safety protocols set forth by the state.

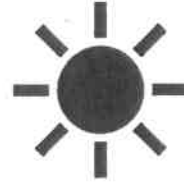

Last year was certainly not what we expected but we feel that 2021 will be better and we can see all the kids participating in activities they enjoy. Please keep your eyes out for permission slips as the seasons get closer and be sure to check out the facebook page for any updates.

If you have any suggestions or concerns please let us know. If you want to be on the mailing list for rec committee activities please contact the town office. We utilize the facebook page Corinth (Maine) Recreation to keep people update with current events. Thanks to all the coaches and volunteers for working with our kids this past year. Your involvement allows the kids to become better athletes in the sports they love and to have a good time with friends thru recreation.

Summer Recreation

Summer of 2020 was a quick one and it was an unusual year for everyone to say the least, but we were fortunate enough to continue our summer recreation program. We were able to accomplish our goal of keeping the kids active in a safe environment during these unprecedented times. Due to COVID-19 regulations we were not able to attend any field trips last summer which meant we had to learn to adapt. With the help of my amazing staff and some volunteers, we were able to be creative with our activities at the park. Some favorites consisted of Drip Drip Drench, a game that kept the kids and staff cool on the warmer days and Mosquito tag, a game that used pool noodles to keep kids socially distanced. To conclude our summer fun we were able to walk to the Corinth Village Creamery for an Ice Cream Fun Day, and we celebrated our last day with a pizza party.

We are optimistic that we will be able to continue our summer recreation program this upcoming summer. The program runs for 6 weeks, from the end of June to the first week in August. We start at 8am and go until 3pm Tuesday through Thursday. Hopefully we will resume field trips again this summer. If we do they will take place on Wednesdays. We often do field trips to beaches, movies, museums and other fun destinations. Summer recreation is open to children going into second grade in the fall through children who have not turned twelve by the end of the summer. If you are interested in joining us this summer, please call the town office to be placed on the mailing list. I am working on planning our trips and new activities for this summer and I would love to hear any thoughts and new ideas from those in our community. I am looking forward to warmer days and having another great summer with a great bunch of kids!

Best Wishes,
Emma Campbell
