## United States Senate

WASHINGTON, DC 20510-1904

Dear Friends:

In November, the people of Maine entrusted me to serve another term in the United States Senate. I am deeply honored to serve you and will continue to work to bridge the partisan divide and to forge bipartisan solutions to the many challenges our nation faces. With the New Year just beginning, I welcome this opportunity to reflect on some of my work from this past year and to highlight some of my priorities for the year ahead.

The biggest challenge facing our State remains the need for more jobs so that Mainers can stay in our great State to live, work, and raise their families. Since small businesses create the vast majority of jobs, we must help them to start up, grow, and succeed. We must update our tax code to encourage small business investment in equipment and other assets, cut the red tape that is hampering job creators, build the transportation and energy infrastructure to support an expanding economy. We must also foster opportunities for key industries, from agriculture to defense. We must ensure that our workers have the skills they need for the jobs of today and tomorrow. These initiatives will remain my top priorities in the new Congress.

I am pleased to report a number of successes from this past year, including provisions from my "Seven Point Plan for Maine Jobs." My proposals to streamline job training programs and better match workers' skills with employers' needs were enacted as part of a workforce investment act. I helped secure promising manufacturing opportunities for our state—from requiring the military to buy American-made athletic footwear for new recruits, just as it does for other uniform items, to an additional Department of Energy investment in the deepwater, offshore wind power project being developed by the University of Maine, Maine Maritime Academy, and private companies. For Maine agriculture, I succeeded in including the fresh, white potato in a federal nutrition program from which it has been the only vegetable to be excluded.

Also last year, I was pleased to join in the christening of the *USS Zumwalt* at Bath Iron Works, a Navy ship for the 21<sup>st</sup> Century that will help protect our nation and strengthen one of Maine's most vital industries. And, for Veterans living in rural areas, I secured a two-year extension of the successful Access Received Closer to Home program, which is improving access to health care for Veterans in northern Maine. Finally, after several years in the making, I am delighted that Congress has approved my legislation to form a commission – at no cost to taxpayers – on the creation of a National Women's History Museum. A museum recognizing the contributions of American women is long overdue, and this bill is an important first step toward that goal.

In the new Congress, I will serve as Chairman of the Transportation Appropriations Subcommittee. This position will allow me to continue working to ensure investments are made in critical transportation infrastructure, which is essential for our safety and economic growth. To date, Maine has received more than \$90 million for highway, bridge, airport, rail, and port projects through the successful TIGER grant program.

I will also serve at the helm of the Senate Special Committee on Aging in the 114<sup>th</sup> Congress, a position I sought because Maine has the highest median age in the nation. Working to address pressing issues facing our seniors, from long-term care and retirement security to the vast potential of biomedical research, will be on our agenda. Preventing and effectively treating Alzheimer's should be an urgent national priority as this devastating disease continues to take such a personal and economic toll on more than five million Americans and their families. The Committee will also continue to focus on the scams and frauds targeting our senior citizens and has a toll-free hotline (1-855-303-9470) where seniors and their loved ones can report suspected fraud.

A Maine value that always guides me is our unsurpassed work ethic. As 2014 ended, I continued my record of never missing a roll-call vote since my Senate service began in 1997; a tally that now stands at more than 5,700 consecutive votes.

I am grateful for the opportunity to serve the great State of Maine and the people of Corinth. If ever I can be of assistance to you, please contact my Bangor Constituent Services Center at (207) 945-0417, or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov).

Sincerely,

Susan M. Collins

Dear Friends,

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate in January of 2013. First off, I want to make sure you know how to reach my offices, as I welcome your thoughts, questions, or concerns. You can call our toll-free, in-state line at 1-800-432-1599. In addition, our local numbers are as follows: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, and Washington D.C. (202) 224-5344. You can also provide your input on our website at [www.king.senate.gov](http://www.king.senate.gov).

Maine is a large state; I know that traveling to our offices can present logistical and financial challenges, which is why our team implemented an outreach program, **Your Government Your Neighborhood**. My staff has been traveling to communities throughout the state for two years now, hosting office hours for local residents. Since we began, we have made over 400 trips and plan to increase that throughout 2015.

If we haven't yet been to your town office, community library, or school, or hosted an information table at a local non-profit, please let us know!

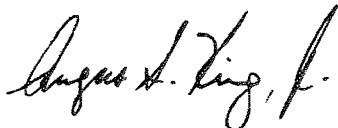

My work in Washington this year has been broad reaching, and I am committed to continue this work in a transparent and nonpartisan manner.

My projects have included:

- Overseeing national security and defense issues from ISIS to cybersecurity
- Continuing efforts to simplify student loans and make higher education more affordable
- Easing the regulatory burdens facing Maine businesses, farms, and schools
- Co-sponsoring budget initiatives for a smarter economic direction
- Supporting vital infrastructure and highway investments
- Tackling climate change mitigation and its long-term impacts
- Ensuring financial transparency in politics through campaign finance reform
- Promoting the growth of rural internet access
- Co-sponsoring legislation to help working families get paid leave to care for loved ones

I am tremendously grateful for the opportunity to serve you and will keep you informed of my activities in Maine and Washington.

Best Regards,

Dear Friends,

Since being sworn in, I have been working to help solve our most important issues such as creating more jobs, lowering the cost to heat our homes and balancing the national budget.

In Congress, I will work to give job creators the confidence they need to start new businesses and create more jobs. It is important for Congress to continue to pass jobs bills, like the Keystone XL Pipeline Act, to get our hard-working Mainers back to work so they can put more food on the kitchen table. As your representative, I will always support legislation that will balance our national budget, reduce the high cost of energy and help create more jobs.

Secondly, I have been working, with Republicans and Democrats, to help lower the cost of energy for our small businesses and hard-working families in Maine. One of my first votes, as a member of Congress, was in support of the Keystone XL Pipeline Act and the Natural Gas Pipeline Permitting Reform Act. These bills will help increase the production and create a reliable flow of natural gas to Maine, especially the Second District.

For my first House floor speech, I asked my Republican and Democrat colleagues to join me in support of the Balanced Budget Constitutional Amendment. This Constitutional amendment will require Washington to, finally, live within their means, just like our hard-working families in Corinth. Balancing the national budget will help end wasteful spending and help secure financial security for our kids and grandkids.

I'm honored and grateful to serve you and represent the hard-working people of Maine's Second Congressional District. If you need any help, please visit my website ([Poliquin.house.gov](http://Poliquin.house.gov)) or call any of my offices: Lewiston (207) 784-0768, Bangor (207) 942-0583, Presque Isle (207) 764-1968 and Washington, D.C. **Annual Town Report**

Dear Friends and Neighbors:

It is an honor to represent you in the Maine Senate for a second term, and I am grateful for the trust you have placed in me to work for the betterment of this community, as well as for the great state of Maine. I am pleased to inform you that I have been selected to once again sit on the Joint Standing Committee on Labor, Commerce, Research, and Economic Development as well as the Joint Standing Committee on Joint Rules.

I am proud of the results of the 126<sup>th</sup> Legislature, which worked hard to increase the availability of mental health services, pay off the debt our state owed our hospitals, and improve Maine's economic climate in a constrained fiscal environment. I am especially pleased that we were able to preserve many valuable gains made during the 125<sup>th</sup> Legislature. As a member of the Labor, Commerce, Research and Economic Development Committee, ensuring that the Mainer's small businesses succeed and improving training and job opportunities has continued to be a priority for me.

My fellow legislators and I have a great deal to accomplish now that the 127<sup>th</sup> Legislature has convened. The most important item on our to-do list is clear: our state needs more jobs at all levels of the pay scale, so it is our responsibility and my solemn promise to work to expand economic opportunity for all Mainers. Growing our economy and increasing the number of jobs available to Mainers will be a challenge, but I am confident that our ongoing commitment to addressing our outrageous energy costs and the needs of our aging population will continue to move our state in the right direction.

Private sector gains remain the best vehicle to spur robust economic growth, and I am focused on ensuring that traditional industries and small businesses have their needs met so Maine will continue to create jobs. In the same sense, innovation is critical to providing a path forward for Maine's economy – and my colleagues and I are excited to encourage the ideas of entrepreneurial minds young and old. Another essential component of a robust economy is efficiency in allocating the state government's scarce resources, and I was elected because I will be an attentive steward of your tax dollars. Unfortunately, Maine's current distribution of benefits from our welfare system is not helping the folks who need these benefits most. In order to help our truly needy survive and get back on their feet, I will work with my fellow legislators to protect our state's vulnerable citizens while fighting fraud, waste, and abuse in Maine's welfare system. In short, we must reform welfare.

Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you ever need my help in navigating the state bureaucracy. I would be happy to help in any way that I can. I can be reached in Augusta at 287-1505 or by email at [andre@andrecushing.com](mailto:andre@andrecushing.com).

Sincerely,

Andre E. Cushing III

Dear Friends and Neighbors:

Thank you for the opportunity to represent Corinth in the House of Representatives during the 127<sup>th</sup> Maine Legislature.

As I expressed to many of you over the last year, I have made it a personal priority to work together in order to reform government and improve our economy. To that end, I am pleased to have been appointed to the Government Oversight Committee. This is a nonpartisan committee that works with The Office of Program Evaluation & Government Accountability to root out fraud, waste and inefficiency.

I am also pleased to serve again on the Environment and Natural Resources Committee, which I've chaired in the past. This bipartisan committee oversees policies important to our natural resources-based economy, waste management, and air and water quality.

As legislators, we have important work to do this session. We need to craft a balanced budget that ensures your state government is working for you. Throughout this work, my first priority is to create more economic opportunity for hardworking people, especially here in rural Maine. I am committed to working with my colleagues on both sides of the aisle to find solutions to the challenges we face as a state.

If you have questions, concerns or ideas, you can reach me by phone at 827-3782 or by emailing [duchesne@midmaine.com](mailto:duchesne@midmaine.com). If you would like to receive occasional e-mail updates on my work in the Legislature, please let me know.

Best regards,

Dear Residents of Corinth,

We want to THANK YOU for allowing us to have the privilege and honor to serve the community of Corinth. We are extremely grateful for the many people who work effortlessly to ensure the town is run both efficiently and effectively. We are very fortunate and extremely appreciative of the work of our Town Manager, Travis Gould, our Town Office Staff; Carolyn, Becca, and Donna, our Code Enforcement Officer Mike Polyot, our local fire chief Scott Bragdon and his team of firefighters. As a town we are also very grateful for our volunteers of the many committees, boards, and departments that help the town run seamlessly. Their time and talents given by each individual is what makes the Town of Corinth so special.

As many of you know the Town of Corinth was awarded a Federal Grant for the purchase of our new Fire Truck. This would not have been possible without the dedication and never ending commitment shown by the Fire Chief Scott Bragdon. Scott has done a great job monitoring Federal, State and Local grants looking for great opportunities. Once the grant is submitted Scott's effort does not end there. Scott works closely with the administrators of the grants to make sure they have all the information needed and answer any questions they may have. For an example, the Fire Truck grant was a two year process for Scott before he was given approval.

The Covered Bridge and the Corinth Pound have received much needed face lifts this past summer/fall. We would like to say THANK YOU to the following volunteers; Bob Coleman, Norman Patterson, Kendall Bean, Keith Craig, Harvey Craig, Elwell Hicks, Gary Arnold, George Chesley, J.R. Dow, Jeff Bragdon, Betty LaForge & Bruce Lowden. We appreciate all volunteers and we apologize if we inadvertently omitted someone. All of these volunteers worked countless hours and did an amazing job.

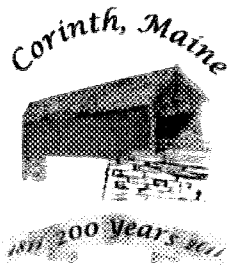

Old Home Days was a huge success in 2014! We were so excited to see the great turn out and want to say THANK YOU to all the volunteers that made all the events possible.

In 2014, we completed a great deal of road work and paving. In 2015 we will continue our efforts to increase our road work and paving. We recognize this is an area that we need to focus on and will work with the Budget Committee to make this possible.

We look forward to seeing everyone at the annual town meeting.

Respectfully,

David A. Dunfee, Chairperson, R. Stanley Bean, Gareth W. Blackwell Jr., Terri Jane Casavant, and Charlene E. Chesley, Board of Selectpersons

To the Officers and Citizens of Corinth,

Another year has flown by and it is time to once again submit the Annual Town Report on the past years work and what may be in the Town's future.

I would like to take this opportunity to thank the Select Board, Office Staff, Code Enforcement Officer, Fire Chief and the Citizens of Corinth, for all of their hard work and support.

The Town's financial condition remains good with no outstanding debts and a fairly substantial cash balance. In 2014 we did not have to borrow money to operate.

The Select Board and the Budget committee have had a chance to review the proposed 2015 budget and make careful examinations and recommendations. I believe that they have tried to present a budget adequate to operate each department efficiently, and at the same time being mindful of the current economy .

On August 21<sup>st</sup> 2014 there was a Special Town Meeting where the residents voted to accept a \$142,500.00 grant from FEMA to purchase a new pumper truck and to appropriate \$7,500.00 from Fund Balance for matching funds. The Town then purchased a 2006 Spartan pumper fire truck. All of this was made possible by Scott Bragdon our Fire Chief. Good Job Scott!

A new septic system was installed behind the current fire station on Main Street and is working well.

In 2014 the Town rebuilt and paved a one mile section on the Ledge Hill Road from the Beans Mills Road South to the Boutelle Cemetery.

The State DOT is planning on relocating the centerline southerly, flattening the turning radii, and adding a right turn lane at Route 15 and Route 43 intersection by Camden National Bank. Also, the DOT plans on repaving the Exeter Road from Route 15 to the Avenue Road in Exeter, 8.3miles.

Late last summer many volunteers worked on straightening up posts and replacing the wooden planks on the guard rails to the approach to the Covered Bridge. Thanks to Norman Patterson, George Chesley, Bob Coleman, Kendall Bean, Ewell Hicks, Gary Arnold, Biff Bragdon, Harvey Craig and Keith Craig. Also to Bob Coleman for going above and beyond to keep the Covered Bidge area clean and cleared of grafitti and to Dianne Martin for planting the flowers and hanging a Christmas wreath at the Covered Bridge every year. The Town is very lucky to have all of you as citizens

I would like to say thank you to Dan's Tree Service for volunteering to hang the 2014 Old Home Days Banner. I would also like to thank everyone who participated in the 2014 Annual Road-side Litter Clean-up Project, it really makes the Town look a lot better, the Fire Department and Charlene & George Chesley for preparing and putting up all the Christmas wreaths in Town.

The Christmas Tree was huge and looked great this year thanks to Charlene & George Chesley, Jeff Dow, J.R. Dow, Scott Bragdon and Brad Strout. Thank you for all you have done to make this Town a better place to live.

Our Recreation programs have been going very well. We have had great turnouts for the Summer Recreation program and also the Spring & Fall ball teams. Thank you to our Rec Director Paul Speed and his committee members that have kept these programs going for a number of years!

Betty LaForge and Bruce Lowden have been doing a great job rebuilding the historic pound, which is located near the corner of Rte 15 and the West Corinth Rd. Thank you both for your commitment to help rebuild and maintain this bit of Corinth history and volunteering your time.

The 2014 Old Home Days parade and festivities was another success! We are fortunate to always have a fantastic group of volunteers that have kept this long-time tradition going and continue to make it fun!

Currently there is a bill before State Legislature to eliminate the Municipal Revenue Sharing Program. If this program is eliminated it will automatically increase the town's mil rate by 1/2 (0.50) of a mil.

The severe winter last year played havoc on the town's winter sand & salt budget. I am afraid this winter isn't looking any better.

One warrant article that I am excited about is we are asking for \$3,000.00 from the Abner F. Morison Trust Fund to construct a walking path at the park behind the Town Office. I believe many people will use and enjoy this.

The Town currently offers online motor vehicle re-registrations and now accepts credit cards at the Town office.

Please come to Town Meeting, remember this is your annual meeting where you decide the outcome of the 2015 Annual Budget.

Thank you again for your continued support,

Travis Gould  
Town Manager

## Corinth Animal Control Officer

Dear fellow pet owners and taxpayers of Corinth,

I am Gary Sudsbury, Sr. from Dover-Foxcroft. Because of my concern (but mostly my love!) for animals I have once again assumed responsibility as the Animal Control Officer for Corinth. Please feel free to contact me. I can be reached at 564-2931 or 343-4389 with any questions or complaints.

As in the past, I have received a number of complaints of stray animals and pets running loose off of the owner's or keeper's property.

As the Animal Control Officer for Corinth I must advise all pet owners or keepers that under Maine's Animal Welfare laws (7~3911), if a dog is found running loose or off your property or lot, and is being a nuisance to your neighbors or other tenants they are considered to be running at large. As the owner or keeper you could be held responsible and receive a summons. I am asking for everyone's help in solving this problem.

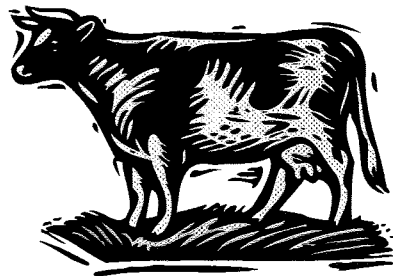

Remember, we as dog or cat owners or keepers need to show our pets the love and respect they deserve. One way of doing this is by being a responsible pet owner, by keeping a closer eye on them. Dogs do not realize that they do have boundaries. As their owners or keepers it is our responsibility to train them so that they know their boundaries.

Thank you in advance for your help.

PS: Maine State law requires that both cats and dogs must be vaccinated against rabies, and dogs over 6 months old must be licensed annually anytime between October 15<sup>th</sup> and January 31<sup>st</sup>. (7~3921) Please keep in mind that there is a late fee after January 31<sup>st</sup>. Any dog who reaches the age of 6 months between January 1<sup>st</sup> and October 15<sup>th</sup> of any year must be vaccinated against rabies and be licensed within 10 business days. (7~3916)

Please give some thought about having your pets neutered or spayed.

Gary Sudsbury Sr.  
Animal Control Officer, Town of Corinth

CENTRAL PENOBSCOT SOLID WASTE FACILITY  
P.O. BOX 309  
CORINTH, MAINE 04427

Mark your calendars. These are the days that we will be closed in 2015.

Saturday May 23  
Saturday July 4  
Saturday September 5  
Wednesday November 25  
Friday December 25

If you have been following the news, you may already know that there are going to be a lot of changes coming in the way that our solid waste is processed. It looks like this is all going to happen by 2018 and is quite an ambitious project. The Municipal Review Committee (MRC), of which we are a member, is building what is essentially a recycling facility with a biofuel plant. That is a gross oversimplification of the project but the MRC website has a section on "Post 2018" that will give you a good overview and go into much more detail. The entire project is aimed toward maintaining a manageable price for waste disposal while maximizing recycling. If you remember my "single stream" rant from last year, this project may seem contrary to that way of thinking but our vision is to keep our recycling procedures the way they are. The waste we send to the processing facility will be further broken down to retrieve even more materials. As I said, "I've been wrong before", but so far we still support our system and feel the processing facility will complement our recycling efforts

In other news.....The State now has a Paint Stewardship Program that should make recycling of the most common paints easier for the public. It covers "architectural paints" in containers of five gallons or less. It does not include spray cans, auto or marine paint, solvents and thinners etc. Most of the stuff you use around the house is covered and the condition of the paint doesn't matter. We are just starting to get the information on this program and will have more details at the Transfer Station as time goes on. Just ask.

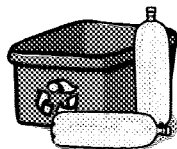

Projects for this year included the never-ending road work. We added gravel in the worst places on the road and will continue this year where we left off last year. If road repair isn't mentioned in this report, it is because I forgot to put it in, not because we aren't working on it.

Another project was the concrete slab that the folks at the Charleston Correctional Facility poured for the metal pile. The pile being on dirt made it hard to clean up and tended to create large divots anytime the metal had to be pushed back. The new slab is better environmentally and is maintenance free.

Free compost - First come, first served.

It is my privilege to present you with the 64<sup>th</sup> Annual Report of the Corinth Fire Department. Last Year your Fire Department responded to 811 emergency calls. There were 21 extra alarm incidents in the Town of Corinth, the most serious was a Building Fire in March that destroyed the redemption center on Main Street, Corinth crews with mutual aid from Charleston, Bradford, Hudson, Glenburn, Levant, Kenduskeag and Garland contained the fire to the original building while saving the main house and several out buildings. There were also 8 other structure fires in Town as well as 3 fatal motor vehicle accidents. The Town received great news in June when it was announced that the Corinth Fire Department had received an Assistance to Firefighters Grant thru the Department of Homeland Security to purchase a used ladder truck. In October we took delivery of a 2006 Spartan Telesquirt with a 65 foot aerial ladder, 1500 gallon per minute pump, 500 gallon water tank and 100 gallons of foam, please stop by the station to take a look at it, this piece should serve the Town for 30 years. We continue to make repairs to the fire station, last year a new septic system was installed and new windows and siding was replaced in the bunk room area, next year we hope to have the mold mitigated in the truck bays, and new wallboard replaced on the back wall as well as the ceiling. Also in 2015 we plan on having some body work and paint done on the ambulance to extend its life a few more years.

## **Corinth Historical Society and Museum**

With the support of Corinth citizens the museum building was painted this year and new LED lighting was installed on the first floor replacing the nearly 60 year old failing florescent fixtures. In addition long time member Pauline Sodermark donated funds to shingle the porch roof and two volunteers from the fire department cut down leaning trees in the back of the building. Restoration work on the old cattle pound was begun in the spring and Bruce Lowden volunteered with his tractor to help place the stones in the front wall. Because of problems with his machine Bruce was unable to complete the project. However, plans to continue the restoration have been made and will commence again in the spring.

We also had several successful events last year including our annual Children's History Day, a very informative and enjoyable spinning workshop, and an historic house and garden tour. In addition to our regular Wednesday hours, we were open for Old Home Days and the Alumni Reunion. We are very excited to add to our displays numerous items donated during the 2014 season, including a very large Skinner family related collection.

We thank all those who have given us the privilege of caring for your family treasures. As always we welcome new members and volunteers. We have projects for people with all kinds of interests and skill levels.

## **2014 Old Home Days**

We want to start by saying "Thank you" to those who supported, advertised, helped and participated in the Old Home Days celebration in July. With the community support we were able to bring back our advertising book and hold our biggest annual event yet! Moving the main event to the school grounds gave us the perfect opportunity to expand our festivities and offered better parking as well as more seating. In addition to moving the main event, we also had a change in our parade route to optimize the flow of parade traffic. Saturday morning we started the day with a pancake breakfast at the Methodist Church offering a perfect view of the parade. The parade was lead by the American Legion and the 20<sup>th</sup> Infantry ME Division Civil War reenactment group. Once the parade wrapped up, everyone headed to the Middle School for some fun and entertainment.

Our main event offered something for everyone. We had the car show, Civil War Reenactment, competition games, carnival games, vendors, crafters, 4H to name a few and lots of delicious food to satisfy all. The children were able to test their skills with the hula hoop competition, sack race and three legged race as well as the whoopie pie eating contest and the frying pan throw. The Jump City Social Club with Anna Roman set the mood and the backdrop for the day with their perfect blend of easy listening music. We ended our Saturday with a fantastic chicken bbq, cooked and served by the Corinth Fire Department. Sunday afternoon brought the crowd back as we held our first ever Country Dirt Digger 3K race and obstacle course. We had over 65 participants in our race! It was such a great way to add some fitness to the weekend as well as have some family fun. It is so heartwarming to see the town members, businesses, neighbors and friends come together for our annual celebration. The continued support is greatly appreciated! If you would like to have an ad or purchase a patron ad for our 2015 advertising book, please contact us at [corintholdhomedays@gmail.com](mailto:corintholdhomedays@gmail.com) or find us on Facebook. We are always looking for new ideas and more volunteers as well as additional vendor booths and entertainment. If you have any thoughts/ideas of things you would like to see at our celebration this year or if you would like to offer your time to help with the event, please contact us!

Dear Residents of Corinth:

Wow, 2015 is starting off to be an amazing year to own a snowmobile!

We have been extremely busy this past fall clearing brush and repairing two bridges; the Grant Road Snowmobile Bridge and the snowmobile bridge between the Ridge Road and Puddledock Road. Thank you to everyone who came out and helped!

Our club continues to hold regular meetings at 191 Puddledock Rd in Corinth (Kevin Casavant's house) on the second and fourth Monday of every month. Everyone is encouraged to attend the meetings and become a club member! Memberships are \$25 per person, \$35 for a business, and we also have family memberships, which require you to be married and have children under the age of 18, and cost \$25 per family.

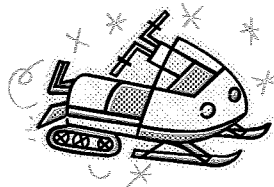

The trails we are maintaining this year are ITS North and South, connectors to Hudson, Bradford, and Kenduskeag. All other loop trails and side trails will not be maintained this season due to lack of help and funds. Our hope is to be able to reopen them next season.

We would also like to thank the landowners for giving us a right away on your property to keep these main trails open; it is always our pleasure to maintain these trails, and as always many thanks for all you do for us! Without your permission and trust in us there would be no snowmobile club or trails.

Respectfully,

Devin Saunders, President

## Recreation Committee

Corinth Recreation had another great year in 2014. We continue to have a large number of participants in both our spring and fall sports. We are fortunate to be supported by volunteer coaches each year who donate many hours working with the kids in their respective sports. This helps provide a fun experience while teaching both skills and love for the game. We appreciate all the time and hard work everyone put in last year volunteering their time.

Baseball and softball included approximately 100 kids playing tee ball, instructional baseball & softball, farm league, little league and 3<sup>rd</sup> & 4<sup>th</sup> and 5<sup>th</sup> & 6<sup>th</sup> grade softball teams. Volunteer coaches were Phil Cadieux for tee ball and instructional baseball, Stacey Shaw for instructional softball, Joseph Wright for farm league, JR Dow and Bryan Preble for little league, Kati Deane Grant for 5/6 grade softball and Laci Daigle for 3/4 grade softball. Corinth Blue Farm League coached by Joseph Wright won the farm league championship over Exeter and Corinth Green Little League coached by Bryan Preble were the little league runners up as they lost to Exeter 2 games to 1 in the championship. Great job by all teams and coaches.

Summer track was coached again by Mike Viani and had a large group of kids participate. The kids compete weekly in events and have had some very impressive showings in the local and state level competitions. Thanks to Coach Viani and his student track athletes for working with these young kids. The program keeps getting bigger and bigger each year and the kids enjoy working with Coach Viani and participating in the meets.

Soccer had close to 70 kids sign up for league play and instructional. The coach for instructional was Miranda Prescott. Coaches for the 2/3 grade league play teams were Megan Wittine and Phil Cadieux and the 4/5 grade teams were coached by Joseph Wright and Russell Broad. All the coaches along with many parents worked with the kids during the fall season and we were able to see major improvement throughout a relatively short soccer season. The league is a non-results oriented league and tries to promote kids developing a love of the sport along with having fun and improving their overall skills.

We would also like to thank Anne Kenneson for running the concession booth in 2014 and maintaining the bathrooms each day. This was a huge help to the recreation department and it helped raise money to re-invest in our town park and team sports. We appreciate all your time and efforts working with the recreation department.

In 2014, doors were put on the dugouts along with fixing up the softball field and baseball fields in the spring. The softball field was a major improvement over past years as it drains much better and the teams were able to play on it shortly after rain storms. In the past they would be off the field for 2-3 days with any significant rain. Also the fencing around the tennis and basketball courts was tightened up so it keeps the balls from going under the fence. In 2015 we need to replace the old swing set that was removed a few years ago for safety concerns. We also have to replace at least two backboards on the basketball court as the old ones deteriorated from the rain working thru them and making them unsafe to use. We are open to other ideas that people may have to help improve our park and keep it as safe as possible for families to use.

If you have any suggestions or concerns please let us know. If you want to be on the mailing list for rec committee activities please contact the town office. We utilize the facebook page Corinth (Maine) Recreation to keep people update with current events. Thanks to all the coaches and volunteers for working with our kids and helping them become better athletes by teaching the skills required to succeed.

Respectfully submitted,

## Summer Recreation

During my first year as coordinator, I was pleased to learn the routines and rules of the program. It was a summer of learning, allowing the kids and I to try many new things and reflect deeply about where the program is going. This year we were able to go on field trips suggested through the recreation survey. We were also able to have guest speakers come out and talk to the children, we painted the trash cans and bathroom doors at the park, and also had a tour of the town fire trucks and ambulances. Our guest speakers included a visit from the Humane Society (with a dog), and the town firefighters. We were also able to use the Middle and High School gyms on rainy days. This was a huge improvement and was greatly appreciated by the kids and me. Using the gyms made it so we could keep the kids active and moving regardless of the weather.

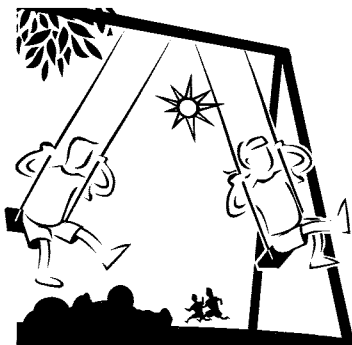

Our hopes for the upcoming summer are to continue with the guest speakers, have fun engaging field trips and become more community focused. We will also be doing a variety of things for our community, like helping at the local food cupboard, doing a car wash, a penny drive and donating the proceeds to organizations that will positively impact the community. I will also focus on making the program an enjoyable experience for everyone. I would like to establish a token system to reinforce good behavior and motivate the children to go above and beyond. But most of all make it so every child has a fun filled summer!

As the summer rec. coordinator I am looking forward to the upcoming summer and am always open to any suggestions to help better the program and our community! Thanks for all the continued input and support.

Yours truly,

Brittany Dorr

Summer Recreation Coordinator

## Corinth Spring Roadside Litter Clean-up

On Saturday, April 26<sup>th</sup>, 2014 residents and non-residents alike generously volunteered their time to completely or partially clean approximately 80% of the roads within the Town of Corinth. Included in these were Bruce Rd., Bradbury Dr., Black Rd., Grant Rd., W. Corinth Rd., Ledge Hill Rd., Beans Mill Rd., McCard Rd., Cushman Rd., White Schoolhouse Rd., Main St., Tate Rd., Exeter Rd., Ridge Rd., Hudson Rd., Garland Rd., Covered Bridge Rd. and Beech Grove Rd. In addition to clean-up, "Welcome" signs were put up by Town Manager, Travis Gould, Fire Chief, Scott Bragdon, and Fire Dept. member Stanley Grass. Another effort to transmit that Corinth is a "friendly town".

Although this Spring Clean-up Project has been going on for some years, it is important to continue our efforts. Each year a number of trailer and truckloads of debris have been taken to the Transfer Station. We continue to emphasize the "leave no trace" principals, with signage promoting the "Carry in, carry out" philosophy. We do not have a full listing of participants, as helpers on some roads were organized by a person handling that road, so not all people signed in at the Corinth Products building. However, but for the enthusiasm and volume of people who participate, the Town of Corinth can be proud of the work these individuals accomplished. Thus it's encouraging to carry this out each spring, and contributes to the pride of our town. As in the past, for individuals who cannot participate the day of the project, it is helpful if each homeowner would periodically clean roadsides along their property lines. This is encouraged and appreciated.

The project encompassed most of the day, with participants enjoying some social time and good food provided by the Town of Corinth. Charlene and George Chesley picked up the supplies at Whitney's, pressed the hamburger into patties, and dropped them off at the Corinth Products building before leaving town on vacation. Cook, Chief Bragdon, and his assistants did a good job of making tasty hamburgers and hot dogs with all the fixings. Desserts were provided by Jeanne Clement, Barbara Strout, Tammy Haney, Jean Bragdon, Cindy Hicks and Linda Bean. Water for the day was provided free of charge by Poland Springs.

**Saturday, April 25<sup>th</sup>, 2015 is designated for this year's Spring Roadside Litter Clean-up.** On behalf of the Town of Corinth and project organizers, we hope to see you there, and wish you safe and happy trails.

Buzz Caverly, Project Coordinator
