Travis Gould
Town Manager

To the Officers and Citizens of Corinth,

Here at the Town Office we are once again gathering reports and information to put together the Annual Town Report to present to our Residents.

I would like to take this opportunity to thank the Select Board, Office Staff, Code Enforcement Officer, Fire Chief and the citizens of Corinth, for all of their hard work and support.

The Town's financial condition remains good with no outstanding debts and a fairly substantial cash balance. In 2017 we did not have to borrow money to operate.

In 2017 the Town paved over 4 ½ miles of roads, including the Puddledock Road, the North end of the Black Road, Bradbury Drive, Hudson Hill Road, and a section of the Ledge Hill Road. This year we are hoping to do approximately the same amount of roadwork to include: shim and chip seal on the Ridge Road, overlay the middle section of the Black Road, the East end of the White Schoolhouse Road, and the South end of the Ledge Hill Road. Also shim and overlay on both the West and East ends of the West Corinth Road (we plan to do the middle section of it next year).

We are proposing to buy the Patterson homestead at 312 Main Street and remove all existing buildings. Then we would remove the block portion of the existing Fire Station at 314 Main Street and build a 92' x 50' five bay garage with an office for the Chief that will be easily accessible from the parking area. This project will have a price tag of \$530,000, but keep in mind that this does not include paving that will need to be done around the outside of the building in 2019. Once this is completed we will push to sell the Corinth Products building and apply any money received from that to the loan on the new Fire Station garage.

Besides the roadside mowing this year we had bush hogging done to cut the brush back on most of the Town roads to the West of Route 15. This year we plan to do the same on the Town roads East of Route 15. This will save us money in the long run by not having hand crews cutting and chipping brush.

The Town did not have an Old Home Days in 2017 as there have not been volunteers to organize this event. If anyone is interested in taking this on, please contact the Town Office.

We are waiting for notification of a Grant award and are hoping to move forward with the resurfacing of the tennis court and basketball courts this summer. Our park has a lot to offer, and not just for the kids. Don't forget that besides the courts, we have the walking path available. Come out and enjoy!

Thank you again for your continued support,

Travis Gould
Town Manager

Animal Control Report

Corinth Residents,

My name is Dustin Sirabella, I am from Exeter, and it is my honor to be returning as your Animal Control Officer this year. I am currently a Senior at UMO studying Business Accounting but my passion has always been with animals. At this time, I have 15 horses, 7 dogs, and 4 cats. I took over as the ACO for my father Noel this past year. He still covers for me while I am away so it is possible you will still be seeing him. The 2017 year was a good year. I narrowed down the delinquent dog license list to within 5 and plan to be at 100% compliance this year so if you still haven't gotten your dog its rabies shots or licensed your dog you can expect a visit from me. Remember there is a \$25 late fee when you don't register your dog by Feb 1. Also, you could receive a ticket after this date both for not having proof of rabies, and also for not having the dogs licensed which can be up to a \$100 fine.

One of the biggest parts of my job throughout the year is picking up stray dogs because they either ran past you out the door, chasing a car, broke their leash or just simply ran off. When I pick up a loose dog I first check for a collar, then if the dog has a collar I check for tags. By Maine state law Title 7: AGRICULTURE AND ANIMALS Part 9: ANIMAL WELFARE Chapter 721: DOG LICENSES 7§3923-B. Tags, it is mandatory for an owner to have rabies and license tags securely attached to a collar of leather, metal, or materials of comparable strength and that is worn at all times by the dog the tags were issued to. I have a list of these tags and who they were issued to, so I can look up the numbers and possibly save you a trip to the vets to pick up the dog and just bring them home to you instead. Also, if you write your phone number on the dog's collar, or on a tag on the collar then I, or whoever else may find the dog will have an easier time trying to get ahold of you so you can have your animals safe at home sooner.

I hope to have a great year again in 2018, and with all of your help we can make this happen.

Animal Control

Atkins Memorial Library

Atkins Memorial Library would like to thank our many patrons for their faithful visits this past year. We had a successful year highlighted with sign language classes early on.

We were provided a generous gift for book purchase this next year from the estate of Barbara Cameron. We would like to thank the family and at the same time extend our sympathy for your loss.

We look forward to 2018 where we hope to see many positive changes. We are looking for volunteers to serve on one of a couple of different boards. If you are interested please let our librarian know, email atkinslibrary@aol.com.

Appreciate your support and that from the Town of Corinth.

Respectfully,

Gary Blackwell, Trustee

2017 CEMETERY TRUSTEES REPORT

Our biggest improvement this year was the paving of the exit road and up the hill to the gazebo at the Corinthian Cemetery. This will help eliminate erosion in that area. Most of our time was spent trying to keep up with the pot holes on the roads at Corinthian. Also, four large trees were removed. Repair work was completed on several stones.

We were very pleased with the work of our mowing contractors.

Thanks to Delwin Blackwell & Judy Libby for their help this year.

The roads to the Corinthian Cemetery will be closed December 1st. Weather conditions may dictate closing earlier. They will remain closed until the roads are ready for traffic in the Spring. This is to preserve our cemetery roads.

Central Penobscot Solid Waste Facility

If I have learned anything in my twenty years of running this Facility it's that the customers are intelligent, resourceful, sophisticated and do not appreciate gratuitous flattery. This year, instead of encouraging people to recycle I would like to praise those of you that already do. We understand it takes extra room at your home, it takes extra effort to sort items and it takes more time to distribute it at the Facility. We thank those of you that recycle as much as you can. You are saving money on the per bag cost that you pay and you are lowering your taxes by saving disposal cost and creating recycling revenue. Also, you can take some pride in knowing that you are just doing the right thing.

This year we will be starting a new way of disposing of the waste (hopefully you won't notice any changes) and it will have a domino effect on several budget items. Right now we don't have any way of knowing if it will be a good change or a bad change or how much of a change, but we are pretty sure it will change.

The Directors have been quite frugal and have managed to keep the budget the same for the last three years. Actually, with the exception of one year, the budget is as low or lower than it's been in ten years. In the face of cost increases and revenue decreases (neither of which we have any control over) this may not be the case in the future.

Every year there is a struggle between saving money and providing an essential service for a number of regulated waste streams. We're not saying the budget will increase next year but I think it's safe to say that it will someday.

Corinth Historical Society and Museum

During January 2017 the Historical Society began collaborating with Collette Colester, a retired Art History professor living in California, on a book based on her great grandmother's memories of growing up on the East Ridge in Corinth. After hundreds of hours of research and writing, Colette published her book and donated 400 Copies to help us with our heating/climate control fund raising efforts. We wish to thank her for her valuable contribution to Corinth's history documentation and her generosity to our museum project. Books can be purchased from the town office or Historical Society for \$15.

New at the museum was our "Brides of Corinth" exhibit featuring brides from 1869 to 1970. The exhibit was very well received and will continue on display thru 2018. We continued to work on the time line going up the stair well. Plans are in the works for changes to the first-floor display area as well as repairs to the back-room walls and millinery shop ceiling. We hope to see you when we open in June.

As always, we thank all those who donated their time, money, photos and artifacts. It is our privilege to be able to preserve our town's history.

Respectfully Submitted;
Elizabeth R. LaForge, President

It is my privilege to present you with the 66th Annual Report of The Corinth Fire Department. Last year the Corinth Fire Department responded to 843 incidents. There were 9 multiple alarm building fires in the Town of Corinth; of note was a significant 3 alarm fire at Corinth Wood Pellets in March, a second alarm apartment building fire on the Hudson Road in September and a 2nd alarm fire that destroyed a mobile home on the Exeter Road in October. The total fire loss in Town was \$106,350.00 and the value of the properties that had fire occurrences was \$15,469,020.00. In October the Town received a grant from the Stephen and Tabitha King Foundation to purchase a used ambulance. Ambulance 209 was placed into service in November and the old ambulance will be disposed of. 2 Firefighters attended the Penobscot County Fire Academy in August and are now Pro-Board Certified as Firefighter I-II, congratulations Colin Hill and Nick Bragdon.

In closing I would like to speak about the proposed Fire Station project that will be voted on at Town Meeting. The Municipal Building Committee was formed in 2006 to work towards and study the replacement of the current Fire Station. The committee worked tirelessly for years and after 2 different feasibility studies decided that the 1.5 million proposed project was too big a burden for the taxpayers to bare. The current project calls for purchasing the property at 312 Main Street and tearing down the building at that location and then demolishing the block truck garage that was built in 1950 and replacing it with a modern 5 bay garage to house our current fleet of apparatus and equipment. The current meeting room, offices, bathrooms and bunk rooms will be kept as will our water supply that supplies fire protection water for the downtown area.

Recreation Committee

Corinth Recreation enjoyed another successful year in 2017. We continue to have a large number of participants in both our spring (100-110) and fall sports (60-70). We are fortunate to be supported by volunteer coaches each year who donate many hours working with the kids in their respective sports. This helps provide a fun experience while teaching both skills and love for the game. We appreciate all the time and hard work everyone put in last year volunteering their time. Volunteer coaches this past year for baseball, softball, soccer & field hockey were Ben Martin, Jen Thomas, Casey Crocker, Russell Broad, Phil Cadieux, Eric Cookson, Justin Libby, Mark Shaw, Harley Dennis and Cassidy Mailman and many assistants. These programs are successful due to dedicated volunteers who are willing to take the time to help the kids work on their skills and fundamentals over the course of the season.

We would also like to thank Anne Kenneson for running the concession stand once again in 2017 and maintaining the bathrooms each day. We did very well selling concessions and the revenue helps the recreation department to re-invest in our town park and team sports. We appreciate all your time and efforts working with the recreation department.

In 2017, we worked on the fields throughout the spring and summer and have updated the chips around the playground area. We also purchased two benches that will be installed around the walking path at the park.

In 2018 we need to install a smaller playground for younger kids (ages 2-5) and install the new benches. We will also be hoping to be able to do some basketball and tennis court resurfacing as it has been many years and they are starting to crack and split. We are also planning on starting up rec basketball at the end of February for kids in grades K-5.

If you have any suggestions or concerns please let us know. If you want to be on the mailing list for rec committee activities please contact the town office. We utilize the Facebook page Corinth (Maine) Recreation to keep people update with current events. Thanks to all the coaches and volunteers for working with our kids in their respective sports. Your involvement allows the kids to become better athletes in the sports they love and to have a good time with friends thru recreation.

Summer Recreation

Did you know that on average of 60 children were attending field trips provided by the summer recreation program? With the winter looking bitterly cold and as if it is never going to end, I am here to provide hope! It will end, there will be a summer. When summer comes, you might be wondering how can I keep my child active. The answer is at the Corinth Town Park! Every Tuesday, Wednesday and Thursday from 8:00AM to 3:00PM Corinth residents are welcome to come and enjoy a day of activities and crafts. This fun summer program starts on Tuesday June 26, 2018 and runs for six weeks. Children who are entering second grade in the fall and those who will not turn 12 before August 31, 2018 are encouraged to spend their day with us! Every Wednesday we have field trips where a school bus will take us to our destination. I look forward to seeing familiar faces and new faces this summer! As always, if you have any questions or comments reach out to me. See you in summer!

Summer Recreation Coordinator,
Brittany Dorr
